

# Think you can't afford a computer for your business? **NOW YOU CAN!**

Get a computer for your business at **ONE-THIRD OF THE PRICE.**

Click on the vendors below to see package deals:

The program is administered by Partners for Self-Employment and funded by the City of Miami's ACCESS Miami Program and the Assets for Independence Grant. Specially priced computer packages brought to you by:

## ACCESS MIAMI'S Newest Addition to the Matched Savings Program

### WE MEAN BUSINESS.

The City of Miami's ACCESS Miami program, in partnership with Partners for Self-Employment, are now offering a new perk! The already sought after Matched Savings Program that assists low/moderate income working families and small businesses save money to purchase a home or improve their business, now can help you purchase a computer by matching \$2 for every \$1 you save. Your new-found savings can help you take advantage of pre-negotiated computer system prices from Dell, HP and Per Scholas.

Simply log on to [www.ACCESSMiamiJobs.com](http://www.ACCESSMiamiJobs.com) or [www.ElevateMiami.com](http://www.ElevateMiami.com) for details and eligibility.

To speak to a Partners for Self-Employment representative about this new program and how to qualify, call 305-438-1407 x215
